WORK

- e:herbarium, 2026
 - Print collection / AI image series / Video Artworks
-

SHORT DESCRIPTION

- Generated flowers as prints, proofs, framed works, and moving images.
-

LONG DESCRIPTION

- e:herbarium treats the flower as both memory and machine artifact. The series moves from AI-generated botanical imagery into large-format prints, translucent proofing sheets, and framed physical works, turning synthetic bloom into a material archive of color, surface, and technological imagination.
