WORK

- Longing, 2023
 - Generative algorithm (P5.js + GLSL)
-

SHORT DESCRIPTION

- A generative landscape system built from absence, atmosphere, and the desire to return to nature.
-

LONG DESCRIPTION

- Longing generates vast atmospheric landscapes from 18 parameters, including altitude, atmosphere, topography, and water currents. The series treats landscape as an emotional system: a place constructed through code, but driven by memory, distance, and the human desire to locate oneself inside nature.
